3 Easy Steps to Submitting an OA Article:

- 1 Once you find a publication to submit your paper to, click "Submit Manuscript" to start the submission process from the journal home page on IEEE *Xplore*.
- 2 In the Author and Affiliations step, enter the name of your institution in the "Edit Account Information" screen and select from the results that are displayed along with the corresponding RINGGOLD IDs. The results shown will help to match your article to an open access agreement as a primary matching method. Be sure to use your institutional email, which will be used as a secondary option to match your manuscript to an open access agreement.
- 3 If your article is accepted and you publish your article as open access, an open access administrator will receive a funding request for review and approval.

*To ensure accurate processing, please be sure to use your institution's name from the dropdown menu as well as your own institutional email address for all forms and submissions.

Please note: Overlength page charges or color fees are not covered by the agreement and will be incurred by authors.
